Election fails to form Conifer Parks and Recreation District

The voters have voted down the formation of a Conifer Parks and Recreation District by a 1323-1040 (unofficial) margin in the election held Tuesday, May 3.

“I want to thank the hundreds of volunteers and supporters who worked so hard to build community by establishing a parks and recreation district,” said Skip Shirlaw, president of Friends of Conifer Parks & Recreation. “Our volunteers poured their hearts and souls into this effort, and I so appreciate all they have done. The good news is that we have all made lifelong friends through this endeavor.”

“While we are extremely disappointed that our four years of hard work didn’t result in the formation of a parks and recreation district, we are proud that we were able to bring this issue to the voters with determination, integrity and the best interests of the community in mind,” Shirlaw said.
